Idaho Association of Health Underwriters Qualifies for Silver Seal of Certification

(Arlington, VA) – The National Association of Health Underwriters (NAHU) is proud to announce that the Idaho Association of Health Underwriters has qualified to receive the Silver Seal of Certification.

“This is great honor for our Idaho Association and this helps solidify the ethics behind each of our members”, states Dana Drake, Idaho Association of Health Underwriters President.

NAHU's Chapter Certification Program is an ongoing program that recognizes excelling chapters all year long. Recognition is based on criteria satisfaction in various areas. To earn the Silver Seal of Certification chapters must satisfy at least six of nine criteria. Once a chapter satisfies six of the nine criteria it will automatically receive the Silver Seal of Certification.

“The Silver Seal of Certification is bestowed upon chapters that have demonstrated developmental excellence in there area, nationally and in the health care industry,” said NAHU CEO Janet Trautwein. “The volunteers in the Idaho Association of Health Underwriters met our expectations and far exceeded them.”
